Gautam – The Oct 2012 correspondence referenced was an email from me to the San Francisco District Reg Chief and Barbara Ransome of Cargill. The one-paragraph email was released under FOIA some time ago and [appears online](#) via a Greenwire news article on the topic.

Hi there. Do either of you have a copy of the Region's October 2012 letter referenced in the attached? If so, could you please send? Many thanks. I think Cargill folks are meeting with Ken today, and he has asked for it.
